

**FISCAL MEMORANDUM  
HB 1425 – SB 1981**

April 30, 2007

**SUMMARY OF AMENDMENTS (007015, 007016):** Amendment 007015 provides a permissive sunset provision which requires the provisions of the bill to cease to be effective on December 1, 2010 unless it is reauthorized by a majority vote of the county legislative body. Reauthorization by the legislative body would be required every four years. Amendment 007016 stipulates that the compensation of a referee is subject to a majority vote of the county legislative body.

**FISCAL IMPACT OF ORIGINAL BILL:**

Increase Local Govt. Expenditures – Less than \$50,000/Permissive

**FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENTS:**

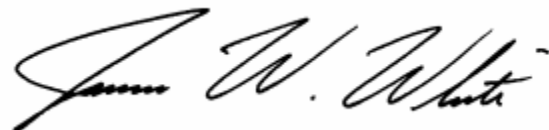

**Unchanged from the original fiscal note.**

Assumptions applied to amendments:

- The provisions of the amendments will not result in a change in the fiscal impact of the original bill.
- Amendment 007015 may result in the elimination of the local government expenditures in 2010. However, because the county may vote to renew the provisions of the bill at such time, a finite time frame has not been affixed to the fiscal impact of the amended version of the bill.
